## CAREER SUMMARY

A self-taught programmer with a demonstrated ability to develop Single Page Application frontends with React.js, Redux, and JavaScript. He has 3 years of relevant experience where he was a full-stack developer working with back-end technologies such as PHP and Node.js in the first 2 years. He is passionate about learning and is looking to acquire more skills such as back-end programming, machine learning, and cryptocurrency.

## SKILLS

### ADVANCED

#### React.js & Redux

(Redux-Saga, Redux-Actions, Redux-Thunk)

#### HTML & CSS

(Bootstrap, Tachyons, Functional CSS)

#### JavaScript

(ECMAScript, DOM, async requests, JQuery)

### INTERMEDIATE

#### Test-driven Development

(Mocha, Chai, Enzyme, Testdouble.js)

#### Functional Programming

(Ramda, Immutable.js, Recompose)

#### JS Build Tools

(Webpack, Babel, PostCSS, CSS Modules, Gulp, Grunt, ESLint)

#### Version Control System (Git)

#### Component/CSS Libraries (Material UI, Ant Design)

#### Web Accessibility

### CAN RELEARN / FAMILIAR

#### Node.js

#### Meteor.js

#### WordPress & PHP (theme from scratch)

#### CSS Precompiler (SASS, LESS)

#### CSS Methodologies (SMACSS, BEM)

### BASIC

#### Data Visualization (d3.js)

#### Adobe Photoshop

#### Web Design

#### SEO best practices

### LANGUAGES

#### English (conversational)

#### Tagalog (first-language)

## EXPERIENCE

### React.js Developer (nonprofessional)

Apr 2018

Worked on few *personal* projects focusing more on front end to demonstrate React.js, Redux, and other related skills.

### Web Development Specialist I

StraightArrow Corp - Pasig City, Philippines

Jun 2016 - Mar 2017 (10 months)

Developed emails and landing pages; sent live emails to a large user base using a Marketing Cloud app.

### Full-stack Web Developer

Globalviewnet - Rizal, Philippines (failed startup)

Oct 2013 - Dec 2015 (2 years, 3 months)

Developed a WordPress theme from scratch; contributed as junior developer on a Meteor.js (a Node.js platform) application that was later discontinued.

## EDUCATION

### Highschool Graduate Equivalent

Dept of Education NETRC - Pasig City, Philippines

Oct 2015

Passed Philippine Educational Placement Test (PEPT) and attained Highschool Graduate level status.

### Elementary Education

Manggahan Elementary School - Rizal, Philippines

Mar 2012

Graduated as valedictorian with multiple awards.
